Sir,

Re: Management of the properties of Sri Sringeri Mutt situated in Southern India.

In continuation of this office letter of even No. dated 10th August 1939 and with reference to your Memo No.J.1364 (5) 35-36 dated 21st September 1939, I have the honour to forward herewith for favour of kind perusal a copy of letter No.H.C.156/38-39 dated 20th September 1939 from the Officer in charge, Sringeri Jahagir, showing the further progress made in respect of items connected with the management of properties situated in Southern India.

The Officer in charge, Sringeri Jahagir has also been directed to submit a half yearly D.C.B. statement of collection on recoverable arrears, as directed in your Memo No.J.1364 (5) of 35-36 dated 21st September 1939, the first half yearly return being submitted before 5-1-1940. After the receipt of the same, it will be submitted for the information of Government as ordered.

I have the honour to be,

Sir,

Your most obedient servant,

Narendas Narasimhan

for Deputy Commissioner,

18/10 Kadur District.

Letter No.H.C.156/38-39 dated 20-9-39 from the Officer-in-Charge, Sringeri Jahagir Sringeri, to the Deputy Commissioner Kadur District.

With reference to your Memo No.S2-4019/35-36 dated 31st August 1939 regarding management of properties of the Srimgeri Mutt situated outside the State, I have the honor to state that a report has been submitted in this Office No.H.C.156/38-39 dated 2/8-3-1939 that items 1, 4, 5, 12, 13 and 19 have been disposed off as per remarks against each of the items.

As regards items 2 and 3 repairs to tanks Pannadai Palankulam and Chittudayan and removal of silt from the feeder channel of Puttungudi Tank the question of taking up the works of Pannandai, Palankulam and Chittudian tanks was not urged by me till now pending in settlement of the question of exchange of villages from the Raja of Ramnad. The Order No.S2-856/37-38 dated 1st September 1939 intimating that the exchange is not possible was received here on 2-9-1939.

During my recent tour to the South India in July last, I inspected all the tanks belonging to the Sri Mutt in the Ramnad District in company with the Honorary Agent, Madura, and discussed with him all these details having in view the financial position of the institution. It is proposed to take up in this year 1939-40 only the urgent repairs which are absolutely necessary and which are unaffected by encroachments and the estimates requiring immediate attention have been submitted with this No.O.C.91/38-39 dated 10-9-1939. The repairs to other tanks may be spread over a period of 2 or 3 years and taken in the order of urgency. As for Tiruvadi no repair is necessary for the time being.

Item 4 lease of Tavatharendal and other villages, I consulted the Honorary Agent, Madura, whether it was not advantageous to lease out the village . I was given to understand that there are no decent offers for the same and that even if there should be any, it is not a desirable proposal as lessees generally do not take proper care of the tanks and other works of permanent utility. In fact it appears that when the villages were leased out some years back, there was considerable neglect in this respect and there have been encroachments too by the ryots of the neighbouring villages of Ramnad Zamindary now requiring to be settled by boundary survey at enormous cost.

In view of this fact he is not in favour of leasing out any of the villages belonging to Sri Mutt in the Ramnad District. I also agree with him. In the circumstance, the matter of leasing out the villages may be dropped.

(5) Sale of Valasai village and redemption of Sendanadi from mortgage:-

9 (a) Pudur Valasai consists of 28 shares. There are several holders. There are ~~several~~ also samudayam lands common to all share The Mutt has purchased 13¼shares from Maddur Chandramouleswara Sastry for the loan amount of Rs 27,000 due from him. The Mutt having large shares manages the common lands, collects the crops, sells them and utilises the amount for the common purpose, such as repairs to tanks and remples. As the village is one of the complicated nature nobody is willing to purchase the portion of the village. I have submitted a reference to His Holiness's camp for the opinion of His Holiness in the matter. I shall submit a separate report again.

(b) As for the redemption of Sendanadi village from mortgage, I beg to state that according to the deed the period of mortgage is 10 years from 22-6-1934. The mortgagor is dead when I had been to Madura during July last, I discussed with Mr. P. S. Nagaswamiyer an Advocate brother-in-law of the mortgagor late Mr. S. Subramanya Iyer. I came to know that the family is in straitened circumstances, depending upon him for maintenance and that there is no possibility of redeeming the property. He further requests that the entire village may be taken over by the Mutt for the amount of Rs 14,000 due from the family. The question in the matter of taking over the village for the sum due has been submitted for the opinion of His Holiness and a report will be submitted to you after the opinion is received.

(6) Recovery of heavy arrears. I checked the individualwar arrear lists of the villages in the Ramnad District and found that the arrears outstanding on the 1st July 1939 were as shown in the accompanying statement with action taken in almost all cases, as per Section 15 of ActIV of 1938. Detailed information will be only available after 1-10-1939 as the Act allows time till then for the ryots to pay the arrears.

(7) Maintenance of accounts in the Agent's office. I checked the account. There is only one cash book maintained for all the villages. There is a separate D.C.B.Account maintained and the accounts are being received in this office regularly.

(8) Recovery of decretal amount. Vide statement 'B' submitted with this Office No.H.C.156 dated 2-3-1939 for favour of reference. Items 1, 2 and 3 have been disposed off items 4 and 5. Orders are awaited to this office No. H.C.156/38-39 dated 10-3-1939. 9, 10, 14 and 16. Action to be taken in respect of certain pronotes and advances outstanding against certain persons. Pronote a count vide statement "B".

1. G. Mahadevier, the execution petition put in previously having been closed fresh execution petition has been sent.

2. Vide remarks in the statement against this item. It has been disposed of.

3. Muniyandi Poosai.- Property purchased by the Mutt in auction warrant for delivery of possession has been issued by the Court. The Honorary Agent has been requested to report the result. It will be communicated on receipt from him.

4. Raja Naidu. Notice to the 2nd defendant not served. Fresh notice has been ordered to be sent.

5. Muthaiah Pandaram.- decreed on 10-1-1938. Execution petition sen to the Vakil.

Advance account vide statement 'B' under advance Nos.1, 2, 3, 4, 5, 6 and 7 have already been adjusted

8. Kurnam Venkatamier. Recovered - vide report submitted in No.H.C.156 dated 14/15-4-1939.

11. Collection amounting to Rs 1330 made use of by the Agent. Rs 180, the balance to be recovered vide report No.H.C.140/38-39 dated 12-3-1939. Further report is pending orders from His Holiness.

13 and 15. Details for the budget provision of Rs91 and Rs 73-12-0 for Agent's Office etc., vide remarks in the statement. No further report seems necessary.

17 and 18. Leasing out of Pannadai Division villages and Sunadanadi villages and disposal of tenancy rights of the small extent of lands reserved to the Mutt in Tavatharendal and Pullungudi.

As for leasing out the Seendanadi village, owing to the financial depression prevailing in these parts, nobody has come forward to take up the village on lease. Regarding disposal of tenancy rights.- Owing to the paucity of funds, the ryots have come forward to purchase the lands. The Honorary Agent has already leased out the tenancy rights for three years from fasli 1347 to 1349.

20. Condition of the building at Rameswaram.The two houses have been submitted in this office No.O.C.64/38-39 dated 9/10-8-1939.

In continuation of this office letter of even [illegible] dated 17th May 1940 and with reference to correspondence resulting in your reminder letter No.2309/Jus. I to I (1) dated 10th May 1940 on the above subject, I have the honour to submit, for the information of Government, [illegible] the explanation, received with letter No. [illegible] dated [illegible] from the Deputy Commissioner, [illegible] for unsatisfactory collection [illegible]

Explanation for poor collection during half year ending Sept 39

Govt Comm's No CPer Ht y. 1/39-40 dated 2.3.40. & Govt Secretary's No 1924/Comp 259-39.2 dated 15.3.40

Submitted to the Deputy Commr.

In my explanation furnished for poor collection for Qr ending Sept 39 as directed in Govt Secy's letter No 1659/Comp dated 5.2.40 and Comp Comm's order No S2-1259/39-40 dated 9.2.40, I have explained that on account of my frequent absence from Ht Qrs on outside Stn and the prevalence of Smuggle in Smuggen for over 3 months during the half year, better progress could not be achieved but that when considered comparatively with the collection of the corresponding period up to 1938-39 my collection was not lagged behind. I beg to state that on account of my shortsedness incapacity for executive work due to a disability, all out-door work had to be done by me after my return from tours and though I was absent from Ht Qrs for long periods, I have striven hard on my return and pushed up collections to more than last year's figures. One Gangajam encroachment has since collected and sent remittance of Rs

Rs

Basaiyan has on numerous occasions repeated reminders that the people are putting up Dakaras for want of recovery of the village and that I should myself visit the place and settle the dispute and collect. I intend visiting the place early next month as this month I have to go to Dodda Subrahmanya & Chinnampet and Srirangam. Regarding Balakam lands, I shall, as already reported in my letter No CPer 93 dated 30.1.40 visit the place on my return from Dodda Subrahmanya & collect & submit report.

I beg that I may not be kindly judged without giving me at least one full collection season as my disposal for showing improvement in collection. I beg to be pardoned for any deficiencies in my working and ~~respect~~ submit that I shall ~~show~~ show hard and show improvement before the close of the year.

Sir,

Regarding the position in regard to collection work of the Officer in charge of the Sri Sringeri Mutt and Jahagir at the end of June 1940.

In continuation of this office letter of even number dated 13th July 1940 on the above, I have the honour to enclose herewith a copy of statement showing Demand Collection and Balance of Land Revenue due to Sri Sringeri Mutt and Jahagir for the year 1939-40, received from the Officer in charge, Sringeri for favour of information.

2 It is seen from the statement enclosed, that there is a sligh improvement in collection work in Sringeri Jahagir, as also in Harakere Shimoga Taluk, Ranagatta and Surapura in Hassan District, Gangapura in Bombay Presidency; Pullangudi and Tavattarandal villages in the Madras Presidency-

3 The land revenue collection with only 75% of the current demand and 80% of arrears in Jahagir proper cannot be said to be satisfactory. The arrears on 1-7-1940 remains almost the same as on 1-7-1939 even after allowing the bagayet remission of Rs.2019/8/-. The collection work out-side the Jahagir is worse. The arrears in Chinnamanet, Haravi Basapura, and Belvadi group has mounted up. Unless the Officer in charge exercises a close supervision over the work of the Agents and employs suitable men outside, there will not be much improvement in the collection work outside the state-

4 The Amildar, Chickmagalur Taluk should be given a warning to pull up the collection in Belvadi Group Villages-

5) It is regretable that the Officer in charge has not yet submitted the statement showing the Demand Collection and Balance of Gutta - amount due to Sringeri Mutt and Jahagir for the month of June 1940. Once again, a stringent reminder has been issued to him. On receipt of information from him, I shall make a further report in the matter.

I have the honour to be

No.Rev.Per.M.32-12/39-40. Office of the Deputy Commissioner, Chingleput, dated, the 29th August 1940.

Review on the Demand Collection and balance of land revenue and Gutta due to Sri Srinivasa Mutt for the month of June 1940.

The statements have been received on 25-7-1940 and 27-7-40 i.e. after the due date inspite of the issue of D.O. reminder. This inordinate delay should be explained by the officer in charge and he is requested to submit the returns on due dates in future.

The marginally noted statement shows the demand collection and balance for the month of June 1940.:-

	Arrears on 1-6-1940.	Demand for the month.	Total.	Collection including remission.	Balance.
I Land revenue.	5277-0-11	3100-4-3	8377-5-2	4232-6-2	4138-14-0
				Arrears remission. 2018-8-0	
II Gutta Period Collection and balance.					
i) Reddy in candies.	1318-35	170-0	1488-35	417-30½	1070-4½
ii) Areca in maunds.	152-25	-	152-25.	12-30	139-35
iii) Cash.	6377-8-5	510-0-0	6887-8-5	104-8-0	5622-10-5

Remarks:- The officer in charge collected 4½ Arrears per month which has been instructed to collect at 40 Arrears per month.

1. Land revenue demand collection and balance position for the month of Rs.5277-8-11 for the current charge and Rs.3100-4-3 for the current collection of Rs.4232-6-2 (including Rs.2018-8-0 remission of arrears) leaving a balance of Rs.4138-14-0 yet to be collected at the close of the month. The collection work is very unsatisfactory when compared with the heavy arrears. The Officer in charge should pull up the collection work and bring down the heavy arrears considerably during the succeeding months.

2. Gutta Demand Collection and balance position under the heads and of 1488-35 candies of Reddy, 152-25 Maunds of Areca and Rs.6877-8-5 in cash including the arrears, there being a collection of 417-30½ candies of Reddy, 12-30 Maunds of Areca and Rs.104-8-0 in cash during the month under review leaving a balance of 1070-4½ candies of Reddy, 139-35 and 39 Maunds of Areca and Rs.5622-10-5 to be very heavy. As already observed in the case of the arrears of land revenue in charge chalks out a programme of collection and unless the collection work the arrears will go on increasing. Action to pull up the collection work the arrears will go on increasing. Action to pull issue suitable instructions to the Revenue Inspector concerned to see that work is pulled up and the outstanding heavy balance in collection reduced considerably.

3. Nellavadi and other Inam villages - Rs.1224-1-3 of land revenue, only a sum of Rs.[illegible] collected leaving a balance of Rs.1540-1-5 yet to be collected. Rs.312-7 has been collected of the month. The collection work is far from perfect, as in the case of repeated observations made in previous inspectory. But little improvement. The Amildar, Chickmagalur Taluk, Sri Rao has been no the collection work in the coming months. The Arrears and pull sanctioned to the Revenue Inspector will have to be specially not show better progress. withheld if no progress

It is hoped that better progress will be shown in the succeeding months.

With reference to [illegible] to [illegible] dated 20-9-1940, on the above, [illegible] the Officer-in-charge, Birur and Sakrepatna, the question of [illegible] urban property may be dropped for the time being.

2. As regards [illegible] in respect of Sakrepatna village houses, the mutt, [illegible], has possession of the mortgaged houses and is in enjoyment of the properties. It may not be profitable to the mutt to clear the first mortgage [illegible] by disposing the properties. As regards the village (Sakrepatna) the period of mortgage is not yet expired to urge for foreclosure. The private sale for Rs.14,000/- proposed by [illegible] Jagaswamy Iyer, brother-in-law of the mortgagor is not in the interests of the mutt. Hence this question too may be dropped as proposed by the Officer in charge, Sringeri Sub-Division.

The favour of early orders is requested.

compensation equal to the annual rent and the value of the lands has hence gone down. He suggests that wide publicity may be given and tenders called for. In this connection I beg to submit in consideration of the present financial depression prevailing everywhere no proper purchasers can be forthcoming and the question of the disposal of the villages may kindly be dropped, for the time being, I solicit orders. As regards the other village -- Sendanam I understand that out of the properties mortgaged to the Mutt for Rs.14000/- two houses of the mortgagors in Tiruputtur have been mortgaged to one Vyravi Pillai for Rs.2000/- (prior to the mortgage to the Mutt --(i.e. as against the subsequent mortgagee.) It is also reported that the interest and the principal on the first mortgage are accumulated to Rs.1000/- and there is no chance of the mortgage being redeemed. The village as it stands is reported to fetch not more than 4 to 5 thousand rupees at the most. Mr. Nagaswami Iyer, the present manager of the Mutt, suggests that instead of finding out a suitable purchaser elsewhere, who wanted the village to be purchased by the Mutt for the amount Rs.14000/- which is not profitable to the Mutt. Unless we hold the village only as mortgagees, question of title cannot be pressed to the prejudice of the interests of the Mutt. Hence the question too may kindly be dropped for the present.

(2) Misc. suit -- Illegal use of Kodumudi Tank water :- The result of the hearing of the case posted to 2-8-40 has not been received from the honourable agent. He has been reminded on the subject. As & when the same will be submitted on hearing from him.

The animal has now been cultivated by the same persons on their lands for the last several years. Out of the seventeen persons mentioned above, (10) only possess less than 5 cents of land each and the remaining seven (7) possess more than 5 cents each. Under these circumstances, the proposal to give away small extents of land to the tenants of the Mutt, in respect of the Mutt lands sooner or later, can receive only consideration. The value of small lands has also gone down. Besides this, there is also the general depression. So far, no one has come forward to purchase the Mutt's share. I would suggest that we may advertise in the 'Hindu' and 'Swadesamitran' news-papers and see what offers are we get. The price we have paid is very very high. I should think that we might part with our share, if we get even a little less than half the price we have paid.
